OLEY'S PIZZA

EST. 1980

OUR STORY...

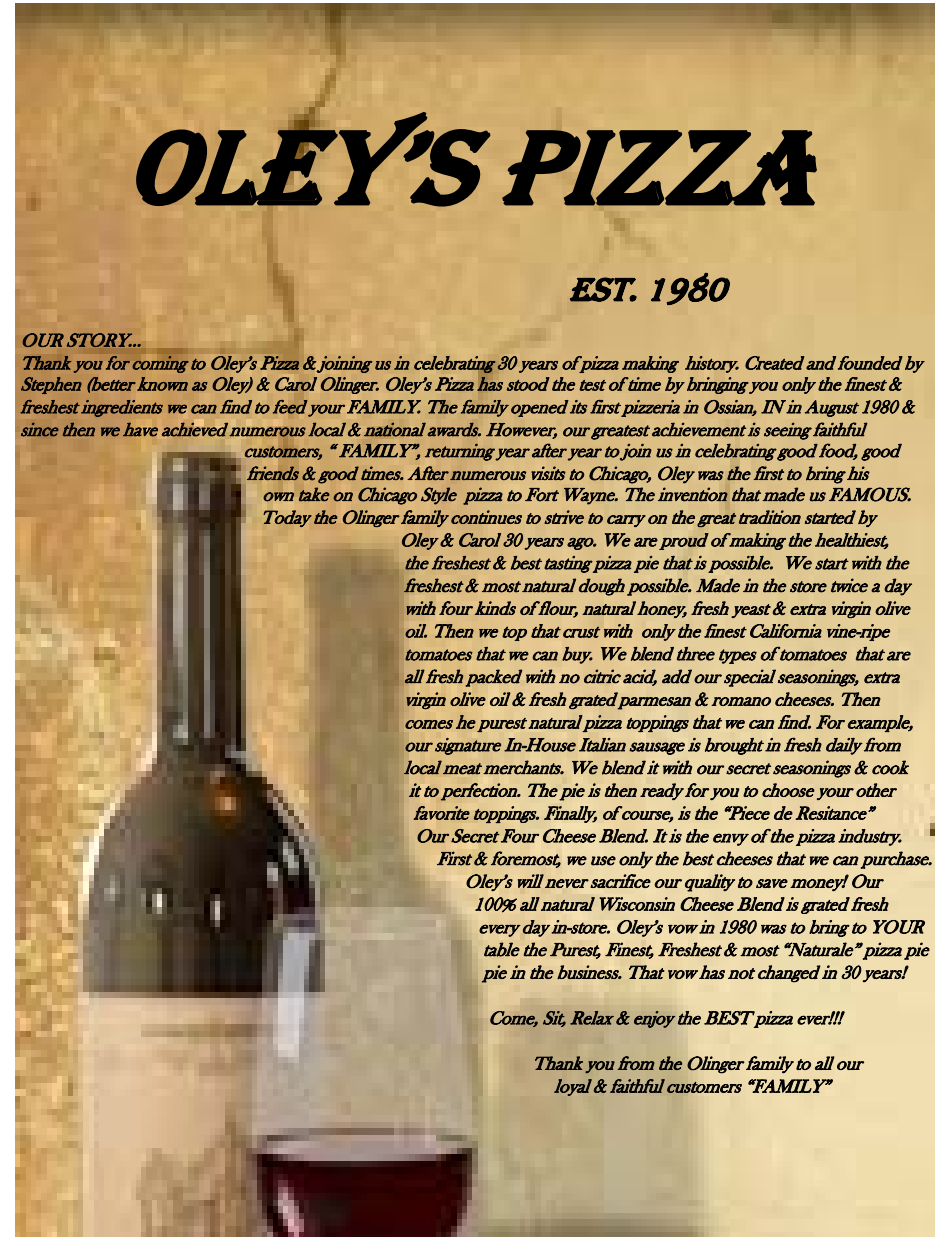

Thank you for coming to Oley's Pizza & joining us in celebrating 30 years of pizza making history. Created and founded by Stephen (better known as Oley) & Carol Olinger. Oley's Pizza has stood the test of time by bringing you only the finest & freshest ingredients we can find to feed your FAMILY. The family opened its first pizzeria in Ossian, IN in August 1980 & since then we have achieved numerous local & national awards. However, our greatest achievement is seeing faithful customers, "FAMILY", returning year after year to join us in celebrating good food, good friends & good times. After numerous visits to Chicago, Oley was the first to bring his own take on Chicago Style pizza to Fort Wayne. The invention that made us FAMOUS. Today the Olinger family continues to strive to carry on the great tradition started by

Oley & Carol 30 years ago. We are proud of making the healthiest, the freshest & best tasting pizza pie that is possible. We start with the freshest & most natural dough possible. Made in the store twice a day with four kinds of flour, natural honey, fresh yeast & extra virgin olive oil. Then we top that crust with only the finest California vine-ripe tomatoes that we can buy. We blend three types of tomatoes that are all fresh packed with no citric acid, add our special seasonings, extra virgin olive oil & fresh grated parmesan & romano cheeses. Then comes the purest natural pizza toppings that we can find. For example, our signature In-House Italian sausage is brought in fresh daily from local meat merchants. We blend it with our secret seasonings & cook it to perfection. The pie is then ready for you to choose your other favorite toppings. Finally, of course, is the "Piece de Resistance" Our Secret Four Cheese Blend. It is the envy of the pizza industry.

First & foremost, we use only the best cheeses that we can purchase. Oley's will never sacrifice our quality to save money! Our 100% all natural Wisconsin Cheese Blend is grated fresh every day in-store. Oley's vow in 1980 was to bring to YOUR table the Purest, Finest, Freshest & most "Naturale" pizza pie in the business. That vow has not changed in 30 years!

Come, Sit, Relax & enjoy the BEST pizza ever!!!

Thank you from the Olinger family to all our loyal & faithful customers "FAMILY"
