Our Wood Stone oven is fired with local hardwoods and smokes our marinated and rubbed Indiana pork and Indiana Amish Chicken every night. We make all of our pizza, focaccia, and cracker dough daily, using the best milled flours and olive oils available. We source our meats locally - including our friend Chris Ely and his Smoking Goose capocollo, chorizo, and City ham. We blend our sauces with the best Italian tomatoes, fresh roasted garlic, and herbs. It makes a difference!
